Further Information:

Please Note:

- **Significant rainfall has caused damage across the unsealed road network, do not drive around road closures**
- The Hut Creek Bridge, Cultivation Creek Bridge and Deep Creek Bridge on Harrops Track now have a bridge load limit placed on them, No vehicles heavier than 15 tonnes gross can travel across these bridges.
- The parks unsealed road network is quite wet and slippery in places with soft and boggy road edges, A four wheel drive vehicle is recommended for travel on unsealed roads.
- Mitchell Rd has been reopened but there are still areas that are soft and slippery, a four-wheel drive vehicle is recommended for travel along this road.
- Please check above report for roads recently graded as they will become slippery after rain

Further information can be obtained from Brambuk the National Park and Cultural Centre at Halls Gap.
